

IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.34451 of 2008
MD.AINUL
Versus
STATE OF BIHAR

2. 9.9.2008

Heard.

The petitioner, a resident of district of Patna, appears migrating to such a remote area of Sitamarhi as the 'Mela Ground' so as to setting up an illicit trade in illicit liquor. It was not only that it was country made, part of the recovery appears standard foreign liquor as well. If one could have the knowledge as to what could be the place 'Mela Ground' one could very well say that it is vast expanse of fields and the petitioner was setting up a trade in illicit liquor so as to disseminating the habit of taking liquor, considering which, the petition is dismissed.
